JOUBERT PARSONS – MANAGING MEMBER AND FOUNDER

1 March 1986 marks the day that Joubert Parsons purchased his very first Heavy duty truck and personally started delivering goods to various parts of South Africa. The initial years spent behind the wheel, perseverance and dedication have led to him now leading a transport business that sets standards and expectations in the transport sector.

PIERRE VAN DEVENTER – MEMBER

Joined by Pierre van Deventer in 1992, they have built up a reputable company, co-ordinating conveyance as well as storage of goods from all corners of South Africa. Striving each day to better their service, they continually excel in keeping to the company's motto of ‘CLIENT SATISFACTION ABOVE ALL.’

2.2 COMPANY OVERVIEW

SABENZA TRANSPORT is a leader in local conveyance of palletised and non-palletised goods to and from any destination in and around South Africa. Customised delivery and distribution arrangements as well as extra warehousing facilities offered for customer use, enables us to provide the required service in the industry. Sabenza strives to build relationships with their clients, continually gaining an understanding of the clients current as well as future requirements.

Sabenza Transport has a fleet of well serviced, clean trucks and trailers, arriving on time to pick up or deliver the load. All our vehicles are fitted with on-board computer systems, satellite tracking monitored in-house as well as 24 hour cellphone contact. Our drivers are all well experienced, trained long distance drivers that are fully aware of the service required to satisfy our customers.

Maintenance is handled by our qualified workshop staff and Sabenza Transport prides itself in having a fully accredited Mercedes Benz workshop.
2.3 GEOGRAPHICAL FOOTPRINT

Based in Pretoria, Gauteng, we deliver from all areas to all destinations in South Africa, including Botswana.

2.4 VISION

Our vision is to operate a disciplined company in the transport sector, leading the way to improvement for prompt and efficient service.

To uphold a reputation of reliability and strict business ethics.

To provide an open-minded, broad spectrum customised service.

To focus on sustainable growth and keep our visible assets immaculate.

To provide a safe and desirable working environment for our staff.

2.5 CORPORATE SOCIAL INVESTMENT (CSI)

We contribute charitable funds and aid on an ongoing basis to a community project in Wolmer, Pretoria, assisting the poor and needy. Our annual contributions to other charities include The Gideons of SA, Various School Projects and Children’s Homes.

We provide training and offer employment opportunities for unemployed and unqualified individuals.
3. BUSINESS OVERVIEW

Sabenza Logistics is a subsidiary company of Sabenza Transport that handles all Third Party Logistics, including Pallet Control, Container Loads for Bulk Movement, Warehousing as well as other logistical needs of the clients.

3.1 PALLET CONTROL

Sabenza Logistics has proven itself in the effective control of customers pallets, installing on site computers at depots and main loading points, working together with major pallet suppliers and managing the movement of the pallets on behalf of the clients.

3.2 ROAD/RAIL COMBINATIONS

Bulk container loads done directly from factory sidings, transported by rail and either delivered directly to the customers or stored at Sabenza Warehouse is an extremely effective movement of bulk loads when large volumes are required to be moved in a short space of time. The utilization of these loads have been tried and tested and are recommended for peak periods.

3.3 WAREHOUSING

2700 Square metres of warehousing space is available for client use. All incoming and outgoing stock is recorded on an in-house stock program, insuring the client and providing peace of mind as to the stock control at any time of day. Loads are handled by qualified forklift drivers and distribution to customers done where and when required.
